

▶ people with a disability who **are involved** in the criminal justice system are more likely to have experienced a range of disadvantage

▶ people with a disability are **more likely** to experience challenges that can lead to **repeated contact** with the criminal justice system

Influencing change

- Challenging inequity by changing the law & policy – strategic advocacy & strategic litigation
- Know your decision-makers & change agents
- Using public opinion to effect change
- Using media & social media
- Identify and address the counter-argument

A case for funding

- Develop an investment logic
- What is your problem?
- What is your solution?
- What is your evidence-base to know the solution will be effective in addressing the problem?
- Identify your benefits to individuals & the community?
